Sir:

Applicants herewith submit a substitute computer readable form of the sequence listing originally filed in the application referenced above. A copy of the Notice to Comply with sequence listing requirements is enclosed. We believe no fee is due in connection with this filing. If a fee is due, please charge our Deposit Account No. 19-0733.

The substitute computer readable form omits the alphabetic headings that were inadvertently included in the originally filed computer readable form. The contents of the two computer readable forms are otherwise identical and are identical to the contents of the paper copy of the sequence listing included in the application as filed. The substitute computer readable form adds no new matter to the application.
